

RSVP Movies – Assignment Executive Summary

As per the analysis, we solved the all query in case study module, in that ERD diagram there is six Entities we were working on it. There is all case study about the RSVP movies likes movie Name, Ratings, release date, duration, country, production company, languages etc.

In case study I saw the top actors, most ratings, etc. The **genre 'Drama'** is having the most votes with high rating averages. Thus, the RSVP Movies can produce a film of genre 'Drama' with an average duration of **106.77** minutes. The production company can be either Star Cinema or Twentieth Century Fox, as these are the top two production houses that have produced the highest number of hits among multilingual movies, or with Marvel Studios, as it tops the list of the production company. The movie can be directed by either of these 3 directors: **James Mangold or Anthony Russo**. After analyzing the IMDB dataset we'll draw some points supported the listed insights: a complete of 1078 movies were produced within the year 2019 in 'Drama' genre. Therefore, RSVP Movies should specialize in 'Drama' genre for his or her next project.
